

Press Release

Statement of Support for the Global FX Code of Conduct

25 May 2017

The European Association of Corporate Treasurers (EACT) welcomes today's publication of the Global Code of Conduct for the Foreign Exchange Market¹. We strongly support the Code and its objective of strengthening the integrity and the effectiveness of the FX market, which are essential to corporate treasurers. We support adherence to the Code by the FX market and intent to promote the Code to our members, by encouraging them to evolve their companies' FX practices to be consistent with the principles of the Code.

About the European Association of Corporate Treasurers (EACT)

The EACT is a grouping of national associations representing treasury and finance professional in 18 countries of the European Union. We bring together about 13,000 members representing 6,500 groups/companies located in the EU. We comment to the European authorities, national governments, regulators and standard-setters on issues faced by treasury and finance professional across Europe. We seek to encourage professional across treasury, corporate finance and risk management, promoting the value of treasury skills through best practice and education.
